

# Immanuel Prayer

## Pastor Patti Velotta

has served Calvary Way Int'l Fellowship for over 20 years as Pastor. She was ordained in 1992 after receiving her Master of Divinity from Trinity Evangelical Divinity School in 1991, where she also served for three years as Dean of Women and Assistant Dean of Students.

She is also President of Three Cord Ministries, Inc., an affiliate of CWIF. "This Joy!" Books, a division of Three Cord, published Dr. Karl Lehman's book "Outsmarting Yourself."

Pastor Patti teaches the foundational truths of Biblical Christian faith. She is a woman called by Jesus into the ministry to equip others and to position individuals in order to build up the Body of Christ. She actively follows Jesus as He asks her to teach, preach and bring healing to His Body.

She has been married for 43 years to Mike. They have three daughters, two sons-in-law and six grandchildren.

Pastor Patti has made Immanuel her lifestyle.

*"Beloved, now we are children of God; and it has not yet been revealed what we shall be, but we know that when we see Him, we shall be like Him, for we shall see Him as He is." ~1 John 3:2*

Jesus came to be Immanuel, God with us. He alone meets every need and heals all. Immanuel prayer is not solely about inner healing. It's about knowing and experiencing Him. It's about intimacy. It's about a living relationship with the Savior.

*"Then you will experience for yourselves the truth, and the truth will set you free." ~John 8:32*

The primary goal of Immanuel prayer is to see Jesus for who He really is. We learn to experience Him in the past and in the present. The other goal is to gain secure attachment with the Lord. Secure attachment is:

1. When we look for Him we always find Him.
2. When we find Him, He is always happy to see us.
3. He always has the answer for our problems. We discover that He alone is the answer.

In the process, He reveals lies, brings His truth, and heals deep wounds.

Immanuel prayer is not a counseling session. It is prayer time to meet with Jesus. He always leads. He always does the work. He always overcomes.

*"Be of good cheer for I have overcome the world!" ~John 16:33*

## Testimonies...

*"What an amazing privilege to have my eyes opened up to see the living Jesus through Immanuel Prayer. He is alive and always with me. To see His care and creativity for every detail in my life has been transforming. Seeing Him as He really is has given me peace through troubling times and has helped me to not just cope with life, or just get by, but to learn to live and feel and experience abundant life. I am learning His true character and because of that, I am learning my identity in Him." † **Bob W.***

*"I have had years of prayer counseling and was not prepared for the depth and power of the healing touch of Jesus when Pastor Patti prayed for me on two occasions. I experienced Jesus like I have never experienced Him before. The fullness of who He is has left an indelible imprint on my spirit." † **Mimi L.***

# Immanuel - God with us!

*“The person who has My commandments and keeps them is the one who (really) loves Me; and whoever really loves Me will be loved by My Father, and I (too) will love him and will show (reveal, manifest) Myself to him. (I will let Myself be clearly seen by him and make Myself real to him.)”*  
~John 14:21 (Amplified)

(based on scripture) with the realization that you too can personally see Him, and that we are in fact commanded to do so!

Immanuel isn't just a teaching on inner healing; it's a pathway of practical hope whereby we can see Jesus as He is and be changed:

*“Beloved, now we are children of God; and it has not yet been revealed what we shall be, but we know that when we see Him, we shall be like Him, for we shall see Him as He is (1 John 3:2).”*

Immanuel Prayer is the lifestyle that Pastor Patti Velotta has been experiencing and practicing for the past 10 years. Through her personal pain she was led to Dr. Karl Lehman, a psychiatrist specializing in brain function related to inner healing and spirituality. As this divine appointment converged their paths, Pastor Patti experienced deep healing through her personal encounters with Jesus. Immanuel Prayer changed her life and became foundational to her Christian faith.

Inner healing is a by-product of discovering that Jesus is indeed with us. Pastor Patti applies her faith, anointing and compassion developed through her own healing work. She will teach you the lifestyle of finding Jesus, watching Him break down ALL barriers to intimacy with Him and observing Him overcome the world in your past and present. You will learn to live in the righteousness, peace and joy of the Holy Spirit – living the kingdom life which is your birthright – and finding and walking in your true self.

Jesus is the same yesterday, today and forever, and His heart's goal has never changed; He is preparing a bride that will know Him and experience that unconditional love and return that love with a grateful heart. Immanuel helps you to grasp and live the concept of the “with-God life” - a model for seeing the whole of Scripture as the unfolding story of God's plan for a loving relationship with our Creator.” (Foster et al: ‘Renovare Spiritual Formation Bible’).

Pastor Velotta has used this training in her own personal journey of healing, integrating it into Calvary Way's services, pastoral counseling, and her relationships with others. She now teaches this lifestyle in seminars as well as one-on-one training. She has an intuitive understanding of the process mixed with revelation in scripture. She has been given an anointing to teach this and to explain the deep things of God in laymen's terms as a pastor-teacher.

As Pastor Velotta teaches Immanuel, you will receive encouragement, discover scriptural models from the Old and New Testaments, and understand biblical prayers that show us the Lord's desire to walk continuously in intimacy with us here and now. You will be taught how to see Jesus

## More Immanuel Testimonies...

*“For years I have been praying ‘Father, I only want to do what you're doing and I only want to say what you're saying, and I know it's possible because Jesus did it and He is our model.’ Sounds good doesn't it – only I didn't know how to bring it about. Praise God for Immanuel; this is the key to having that intimate life of sonship with the triune God. As I see Jesus ‘who was and is and is to come’ I don't have to guess what Jesus would do; I see Him and know. Guess what; He loves it! He so desires that we would come to Him and sup with Him and walk with Him. I am not the person I was because I see myself through the undefiled eyes of love; we are changed from glory to glory as we behold Him. There are not words enough to describe the deep abiding healing and redemption that transforms me through this ministry.”* † **Linda H.**

*“After just a few sessions of Immanuel Prayer, I started to see good fruit in my life. I had new depths of peace, strength and trust. I found that my circumstances don't change but I am changed. I have started to look for and see Jesus in the day to day. He's really with me! I am learning how He sees me and feel more loved, secure and accepted. I am finding how good He really is!”* † **Julie W.**

*“I have been receiving and giving Immanuel for 10 years and I find that I have more freedom, more self-confidence and I'm happier. I have developed the faith and assurance that I can see Jesus, and these results are not just for me. As I am coaching others, it is such fun and brings such joy to watch as He changes lives and brings freedom and intimacy to everyone!”* † **Suzi D.**
