

God Knows (Omniscience)

Do you know how the clouds are balanced, Those wondrous works of Him who is perfect in knowledge? Job 37:16

Jesus showed me a bowl filled with spaghetti and asked me if I knew where one noodle began and ended. Of course I didn't know. Then He said, "I do." It wasn't quite as elegant as His thundering discourse with Job recorded in Job 38ff, but I got the message. He knows everything, things that are past my finding out. He knows all about me and my life. I can rely on Him way past relying on me or my memory.
